

FEMALE PARTICIPANTS NEEDED

for the *CONNECT* Study

The **CONNECT** study is recruiting participants to understand how social support, coping strategies, and cultural values relate to well-being after unwanted sexual experiences.

Who can participate

You may be eligible if you

- * Reside in the Northeast USA (CT, ME, MA, NH, RI, VT, NJ, NY, PA)
- * Identify as a woman
- * Had an unwanted sexual experience after the age of 18 years

What to expect

- * A 20-25 minute online survey
- * Your responses will be anonymous
